

Most schools with primary-age pupils receive the PE and sport premium in the academic year 2015 to 2016, including:

- schools maintained by the local authority
- [academies](#) and [free schools](#)
- special schools (for children with special educational needs or disabilities)
- non-maintained special schools (schools for children with special educational needs that the Secretary of State for Education has approved under section 342 of the Education Act 1996)
- [city technology colleges \(CTCs\)](#)
- pupil referral units (PRUs provide education for children who can't go to a mainstream school)
- general hospitals

The following types of school don't receive this funding:

- nursery schools
- [studio schools](#)
- [university technical colleges \(UTCs\)](#)
- independent schools (except for non-maintained special schools, which do receive the funding)

## **Funding for the PE and sport premium**

Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6.

In cases where schools don't follow year groups (for example, in some special schools), pupils aged 5 to 10 attract the funding.

In most cases, the DfE determine how many pupils in Errington attract the funding using data from the January 2015 school census.

## **Funding for 2015 to 2016**

Schools with 16 or fewer eligible pupils receive £500 per pupil.

Schools with 17 or more eligible pupils receive £8,000 and an additional payment of £5 per pupil.

The breakdown of funding for the academic year 2015/2016 can be found on the DfE website.
