

Head's Lines

Morrison's gardening vouchers.

Morrison's aren't giving physical tokens out this year – so you need to register. Please do this for us if you shop there as their gardening equipment is always really great quality. Many thanks from our keen gardeners.

Harvest festival:

We are still taking donations for our harvest festival – many thanks for those donations we have collected so far.

Halloween disco:

We have had to move the disco to Wednesday 20th October due to availability of the DJ. We won't be able to invite parents into the hall for the disco due to social distancing and risk of people mixing. However, we think that between the staff and PTFA we are able to offer these exciting events for children.

We are going to run three separate discos. One for nursery and reception straight after school for 45 minutes. A KS1 disco will follow that and then a KS2 disco.

I will send more information each week about this as we plan the details. But there will be a fancy-dress competition, face painting, selfie station (run by staff for photos of your children) apple bobbling and a pumpkin decorating competition. We think the safest way to also do this would be to ask for one entry fee and within that there will be the tuck shop, hot dog, drink and all of the events for free within that one entry fee.

Clubs will not be cancelled that evening.

I just wanted to let you know now so that you can buy or make those wonderful costumes and carve those pumpkins. Autumn really is the very best time of the year.

Dates for your diary:

All clubs take place between 3.15-4.15pm and children are collected at the front entrance

20th September onwards for three weeks – Y6 bikeability – when taking part in bikeability, children should come in their PE kit please all week.

27th September – Y4 swimming

20th October – Harvest festival in church, we are collecting donations in the front entrance

20th October – Halloween disco

We are delighted to support this appeal this year. With all that has happened in the world this year, it feels more important than ever to help where we can. The shoe box appeal is something I have supported ever since I qualified as a teacher.

You will have been sent a flyer about the shoe box today and it is a collection of items to send away to a child who may have no Christmas presents. We would like to do this in a number of ways: we can do a class box (so each child could bring something small in) or a family could complete their own box. We have some shoe boxes in school, if you don't have one. Equally, if you aren't able to pay the donation amount for postage, we can help with that too. Whatever you are able to give, we are most grateful. Thank you.
