RECYCLING – beach tidy.

We are delighted to be teaming up with Amey – a waste management company in North Yorkshire to look at keeping our beach clean. Many of our children already know about the effects of litter going into the sea. We are going to launch a family based competition where we collect as much rubbish from the beach as we can per family over the period of a month. Have a huge weigh in at the end and the winners will get the chance to go to the factory and see how waste is changed into everyday objects.

The assembly launch took place this Wednesday will the competition beginning just before half term on the 26th May. Who can keep our beautiful beach the cleanest?

We have high viz vests and litter pickers to give out – these can be collected this week from school. Any bags of rubbish are brought to school and put in a different bin with the family name attached to them... happy collecting..
