- 4<sup>th</sup> June – Jubilee community event.

## PD day

School will be closed to pupils on the 27<sup>th</sup> May.

**SPONSORED READ.**

Please can you return all sponsored read money to school next week, we would be most grateful. We have really been promoting reading in school and the children have written us a long list of the books that they would like. Please send with your child once collected. We are most grateful for your support with this.

**Reading.**

We are really keen to get back into the swing of children reading every evening for 20 minutes. Every child should bring a book home daily with a reading record and we ask you to listen to them read or read to them and just embrace enjoying reading for 20 minutes. We give out golden tickets for all of the children who complete this task daily to win prizes on a Friday. Please encourage this habit to ensure your child is a fluent and avid reader.

Early Years/KS1 – we have invested heavily in some wonderful new books – we ask you to really look after these books please and return them to school when required so that we have lots of new books to read in the future.

**RECYCLING – beach tidy.**

Later this month, we are delighted to be teaming up with Amey – a waste management company in North Yorkshire to look at keeping our beach clean. Many of our children already know about the effects of litter going into the sea. We are going to launch a family based competition where we collect as much rubbish from the beach as we can per family over the period of a month. Have a huge weigh in at the end and the winners will get the chance to go to the factory and see how waste is changed into every day objects.

We have equipment coming to school to ensure that this can be carried out safely. We really hope you consider taking part and make a real difference to the beauty of our coastline.
