

Support for the people of Ukraine.

At Errington, we have all been deeply upset about the current situation in the Ukraine. The children have been talking about this in circle time this week. I met with our school counsellors and they have put together this heartfelt message:

Dear Parents and Carers,

As you know the people of Ukraine are having a very difficult time at the moment, the student council and Mrs. Rule are asking parents if they can donate essential items to the people who are struggling right now. If you can donate now which is highly appreciated, the list of items in need is, medicine, first aid kits, sleeping bags, blankets, baby food and energy bars. If you can please help Ukraine and what the country is going through, it will make an enormous difference to the Ukrainians.

Kind Regards

Mrs Rule and the Student Council Team

The complete list can be found on facebook and is being sent away on the 9th March. We are happy to be a drop off and collection point and help in any way we can.

Camping mats, protein bars, painkillers, anti-flu medicine, wound dressing materials, warm blankets, baby food, nappies, dry food, insulated flasks.

Dates for your diary:

6.03.22 Tree planting – community event

9.03.22 Reports to parents.

World Book Day!

We had a wonderful day!
Thank you for supporting us.

Mid-day supervisory role

We have an exciting vacancy coming up for a mid-day supervisor in school.

This role involves organising games and playing with children as well as supporting them within the dinner hall.

If you would like more details, please contact the office.
