RECYCLING – beach tidy.

We are delighted to be teaming up with Amey – a waste management company in North Yorkshire to look at keeping our beach clean. Many of our children already know about the effects of litter going into the sea. We are going to launch a family based competition where we collect as much rubbish from the beach as we can per family over the period of a month. Have a huge weigh in at the end and the winners will get the chance to go to the factory and see how waste is changed into every day objects. The assembly launch will take place this Wednesday with the competition beginning just before half term on the 26th May. Who can keep our beautiful beach the cleanest?

Class based assemblies – you are invited into school at 2.40pm on the following days to watch the class's sharing assembly.

Miss Bennison's assembly will take place next half term once Miss Hunt has settled back into year 5.

Tuesday 7th June – Miss Matthew's class

Tuesday 21st June – Miss Excell's class
