- 18.07.22 Y6 play in the evening
- 19.07.22 Y6 play in the evening
- 20.07.22 y6 leavers' assembly and y6 party
- 21.07.22 House point treat – for the winning team
- 21.07.22 Break up for the summer break! 3pm

SCHOOL DAY IN SEPTEMBER

The government has set out a White Paper that asks all schools to ensure that children have a set 32.5 hours each week. This is an extension to our school day as it currently stands.

The aims of this is that children are in school a little longer to try to bridge the gaps that COVID has left.

From September, our school day will start at 8.45am (gates open at 8.35am) and we will end our day at **3.15pm**. We will be putting an afternoon play into the pm session so that children have a break in their learning.

Thank you...

As I come to the end of my first year of Headship, I would just like to reflect on the journey that I have been on. The new role has been challenging at times and it has been the biggest learning curve of my life.

But I have thoroughly enjoyed meeting the families of Errington. The children in our school are our greatest asset! They care, they share and they are intrigued about the world about them and I am very proud to be their Headteacher.

I am so proud of my teaching team. They work tirelessly to provide as many meaningful and enjoyable experiences as they can for our pupils. The energy and drive that they have is truly inspirational and they are what makes our school something that is entirely unique.

Next year will be another wonderful journey: we embark on beach schools, other primary schools are joining our Trust, we will become a science specialist school through the Ogden Trust and our outdoor learning offer will go from strength to strength just to name a few.

Thank you for supporting our journey.

REMINDER ABOUT EARRINGS

Just to remind you that from September 2022, we will be a no earring school. Children will not be able to wear earrings in school due to the increased physical activity.

Errington Primary School proudly presents....

ALADDIN

On Monday 18th and Tuesday 19th July, Year 5 and 6 will entertain you with song, drama and humour in a wonderful adaptation of Aladdin.

Tickets are available via the parentmail shop for £2.50 each. All money made will buy new costumes for plays in the future.

We hope you can join us for this entertaining feast of talent!

READING

Please can we have all school reading books returned to school before the summer break. If you have any outstanding library books we would also be grateful if these could be returned as the library want them all back too.

Over the summer, if there is one thing that you can do to prepare your child for their next steps, it is to read. To enjoy reading, sharing books – reading signs, reading newspapers, reading anything and take the joy and pleasure from that.

Children who read are thinkers and are successful in all aspects of their learning.
