

Year 3 - The United Kingdom

Thursday 17th February

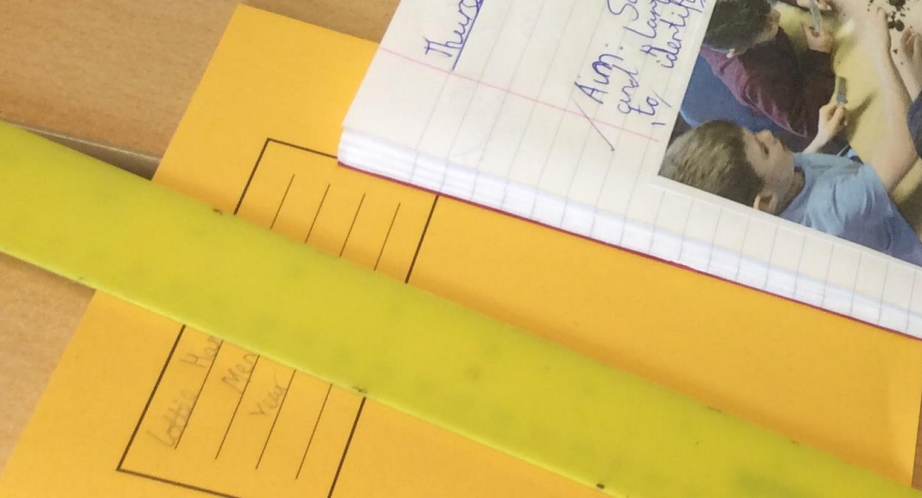

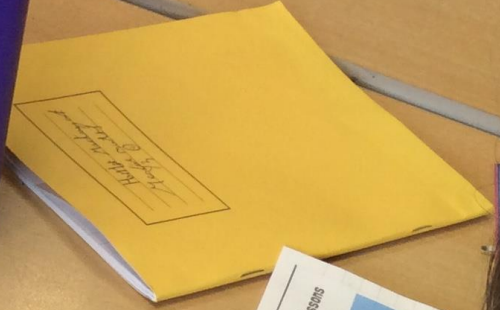

Soil experiment

✓ Aug: Soil is made from dead animals and rocks. We used a shovel to dig up soil and put them in different bins.

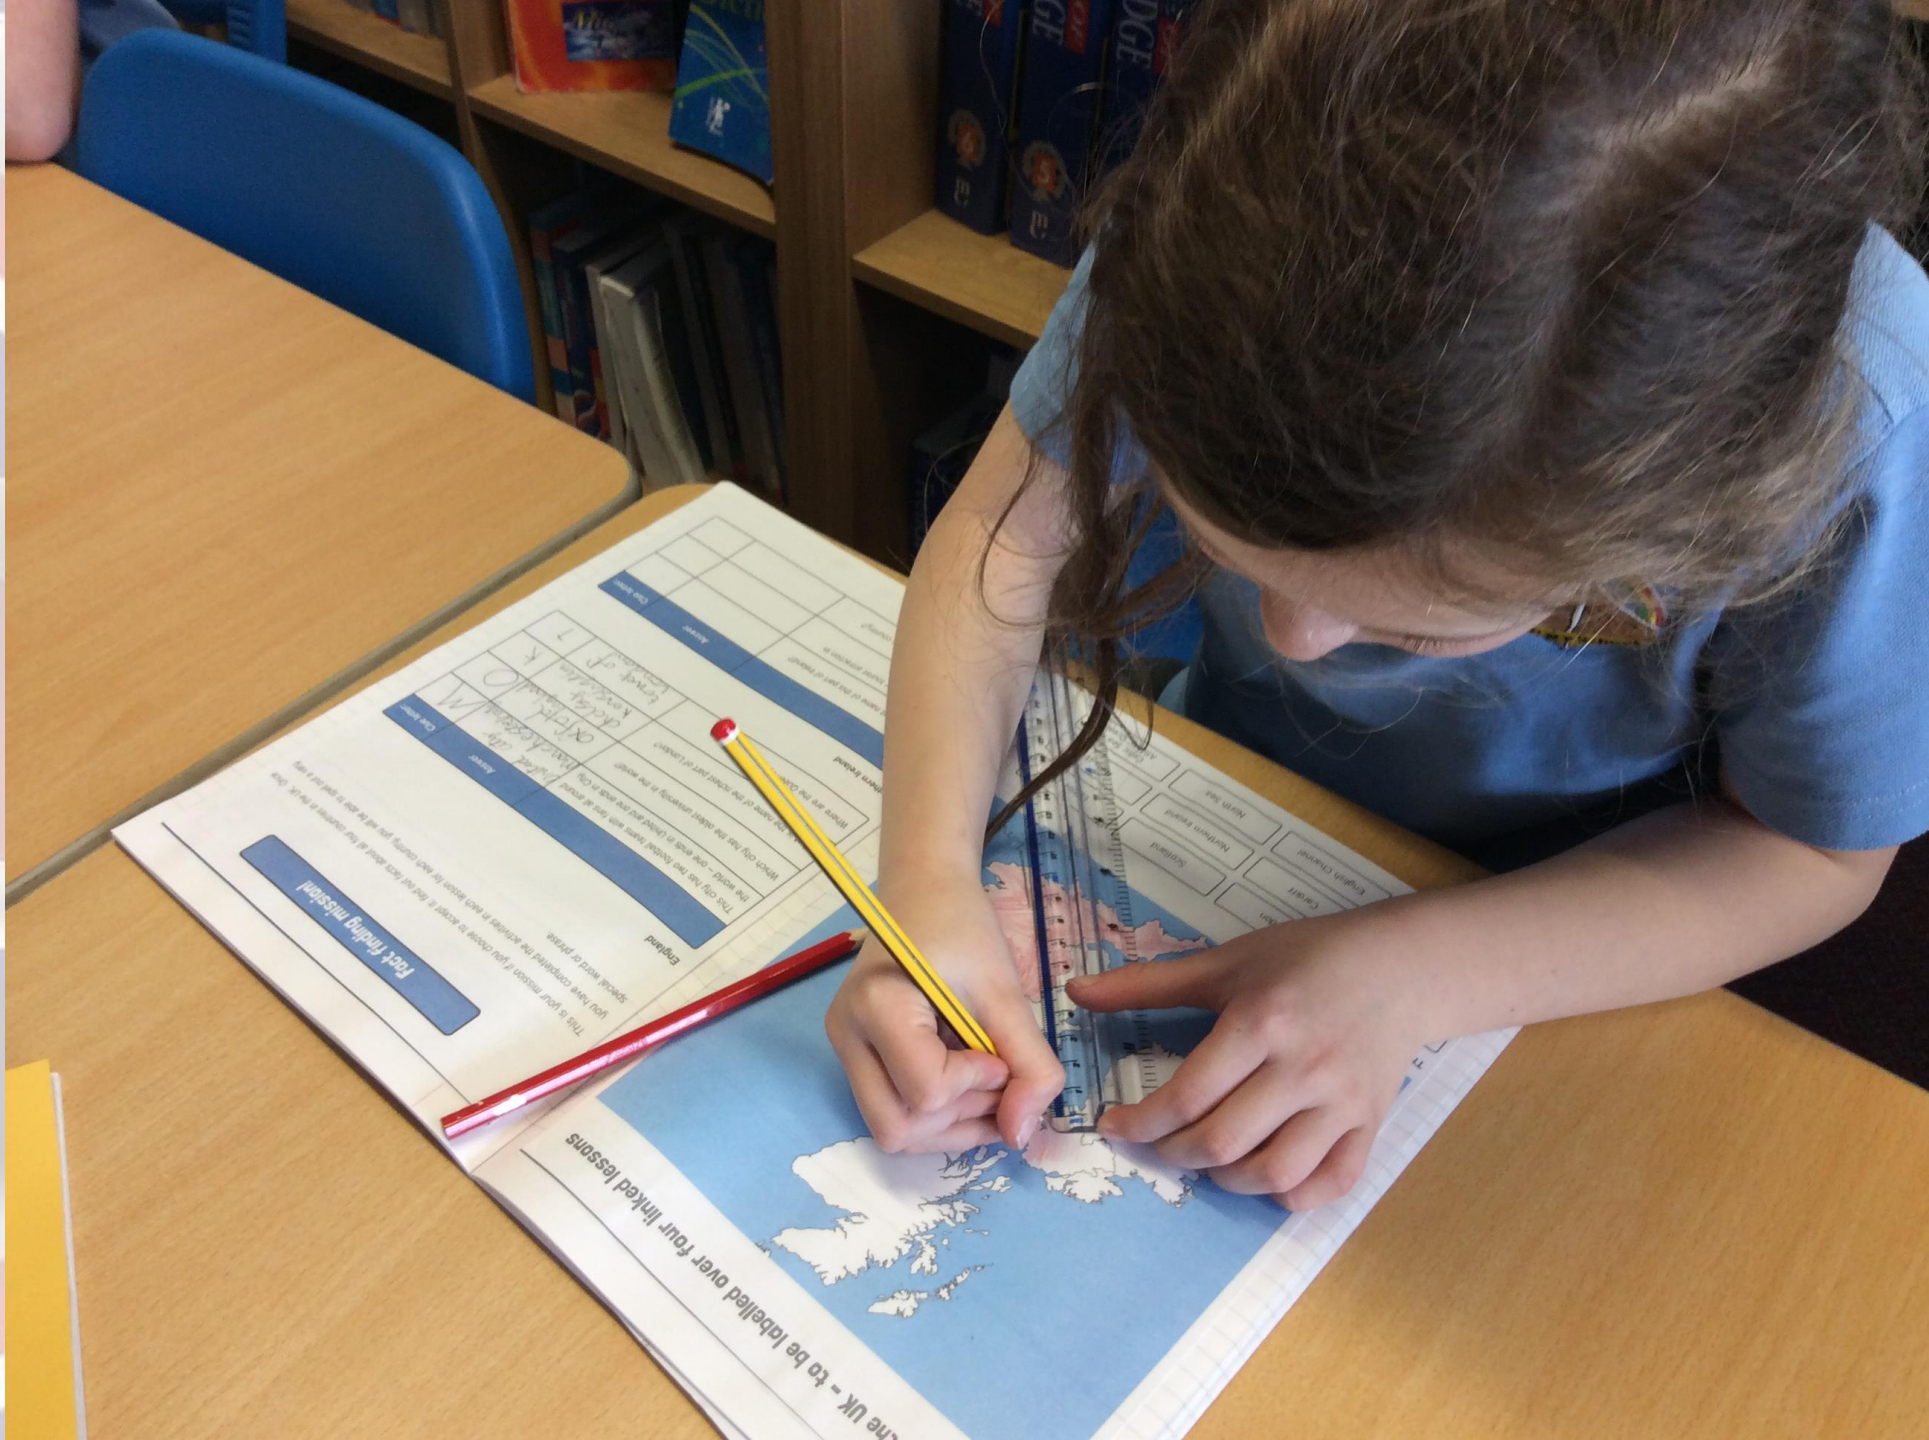

✓ We made a solution and keep it for 24 hours.

Fact finding mission!

This is your mission if you choose to accept it. Find out facts about all four corners of the UK. Use the word - one ends in 's' and the other in 'y'. You will be able to find out more about the country you will be visiting. You will be able to find out more about the country you will be visiting.

Country	Capital	Language	Population	Area
England	London	English	52.5 million	130,279 sq km
Scotland	Edinburgh	Scottish Gaelic, English	5.4 million	78,792 sq km
Wales	Cardiff	Welsh, English	3.1 million	20,779 sq km
Northern Ireland	Belfast	English, Irish Gaelic	1.8 million	14,130 sq km
