Attendance

Following on from my email about the importance of attendance, going forward we will publish the weekly class attendance figures. We don't want poorly children in school, but are always keen to encourage excellent attendance from our pupils. (Data is from last week)

Reception	95.1%
Year 1	100%
Year 2	99.1%
Year 3	100%
Year 4	100%
Year 5	97.6%
Year 6	98.4%

Reading

Please try to encourage your child to read for 20 minutes every evening. A child who reads every day acquires such a vast amount of words and subject knowledge to allow them to be successful in all other areas.

Bikes and scooters.

Please can I ask children not to ride bikes and scooters on the school site.

FOOD BANK DONATIONS

We are hosting our annual food bank collection service at school to try to support those within the community who are struggling.

We will place a table in the front entrance for any packets or dried foods or tins to go to the local foodbank.

We are working with Footsteps in the community who will collect the food collected, making sure that it goes to those who need it most.

Thank you are always for giving what you can.
