

Calculate...	Out and About	Read and Write...
<p>Use facts and figures from a space reference book to create five space word problems for your classmates (and teacher!) to solve!</p> <p>Research the length of time it would take to travel to the moon or another planet and calculate how many meals you would need on board your rocket.</p>	<p>Visit the library and find out about space from non-fiction books.</p> <p>Make up a space themed outdoor game.</p> <p>Spend an evening stargazing with your family. Did you spot any shooting stars?</p> <p>Visit a planetarium. What was your favourite bit?</p>	<p>Write a fact file about a planet or moon of your choice.</p> <p>Read a book about a space explorer and tell a family member about it.</p> <p>Write a poem based on space and perform to your friends or family.</p>
Think...	<h2>Journey to the Stars</h2> 	Create...
<p>An astronaut needs lots of training in many different areas. Write a career profile on what it takes to become an astronaut.</p> <p>Astronauts must learn different languages- what languages are these? Can you write some words or phrases?</p> <p>What might you say to a loved one back on Earth if you were travelling in space?</p>		<p>Watch some videos on YouTube of astronauts living on the international space station. Can you draw a map of the ISS from information in the videos?</p> <p>Design a space themed board game.</p> <p>Create a moon calendar. Observe the moon each night and record what it looks like on a calendar.</p> <p>Write a song or rap about what you have learnt this far in our topic.</p>
Build...		Imagine...
<p>Build a model of the solar system using items around your house.</p> <p>Use recycling to make a model of a rocket or the international space station.</p> <p>Use recycling to make a telescope and enjoy stargazing.</p>		<p>Keep a food diary for two days. Would these foods be available on a space mission? What might be different?</p> <p>Write a diary entry from the perspective of an astronaut on a long flight to the moon.</p>

Homework Choice Grid Autumn 2

Here are some fun activities you may want to try at home.
