CAREERS' WEEK

In the summer term, we will be launching our first careers' week. We will be inviting many passionate people to come into school to talk about their jobs and careers to inspire our youngsters. We would like all types of roles to be shared, if you have any family members who would like to speak to our children please let us know. This will be a wonderful week!

Attendance

Following on from my email about the importance of attendance, going forward we will publish the weekly class attendance figures. We don't want poorly children in school, but are always keen to encourage excellent attendance from our pupils. (Data is from last week)

Reception	94%
Year 1	95%
Year 2	100%
Year 3	92%
Year 4	96%
Year 5	98%
Year 6	96%

PTA

I'm really pleased that many of you have stepped forward to want to continue to support the brilliant work of our PTA.

Over the years, many trips, experiences and items in school have been purchased due to the fundraising of the PTA.

We have the AGM tonight at 3pm and if you are able to come along, please do. However, the real help can come from anyone who can give an hour or so at some of our events.

You do not need to come to meetings, nor spend lots of time within school – but anything you can give, we will be most grateful.

Our new chair will email you shortly with her email address so that we can build a team of helpers who can offer their time as little or as much as they would like.

We have lots of plans afoot with the money raised with our next big project being around work benches, drills, saws, glue guns to ensure that our children can fully take part in the whole design and technology curriculum.

Thank you again for all you give to our pupils.

PD Day

School will be closed to children on Friday 27th January. We will reopen on Monday 30th January at 8.45am.

FRUIT LAND

We will be selling fruit every Tuesday and Thursday from the non-fiction library. This has been hugely successful – thank you for supporting our venture...healthy bodies mean healthy minds! 50p.
