| Year 4 | 92% |
| Year 5 | 99% |
| Year 6 | 98% |

CAREERS' WEEK – 12th – 16th June 2023

In the summer term, we will be launching our first careers' week. We will be inviting many passionate people to come into school to talk about their jobs and careers to inspire our youngsters. We would like all types of roles to be shared, if you have any family members who would like to speak to our children please let us know. This will be a wonderful week!

FRUIT TREES

We are working hard at making our school a bee friendly school to help our hard working insects. If you able to buy a fruit tree, we will buy a plum, pear or apple tree and plant it in our school grounds.

We will also add a plaque with your family name attached to the tree - so it's there for generations to come.

If you able to support us with this – we will be most grateful. Please contact the school office for further info. Thank you

After school wrap around care.

We have sent out a ParentMail asking for expressions of interest for our proposed extended day provision. Please complete the form by Thursday 25th May, please include any comments or questions you may have on the form. Please direct any queries to the school office. Thank you
