CAREERS' WEEK

This whole week has been an immense success. We have invited visitors from all spectrums to come and share their passions and love for their careers and jobs.

Your children have made me incredibly proud in the enthusiasm they have shown and the questions in which they have asked to find out more.

I hope that this will become a yearly event and we hope to keep inviting past pupils along to share the journey they have taken since their time at Errington.

Thank you to every single person who came along and shared their journeys, you have been instrumental in sparking many interests and avenues that may be explored at a later date.
