Aims

Our attendance policy aims to:

- support pupils and their parents/carers in the school of the highest possible levels of attendance and punctuality;
- ensure that all pupils have full and equal access to the best education that we can offer in order to increase learning;
- enable pupils to progress smoothly, confidently and with continuity through the school;
- make parents/carers aware of their legal responsibilities;
- ensure attendance meets Government and Local Authority targets

This policy has been devised in consultation with Staff, Governors, Children and Parents.

Being at school

School education builds the vital foundations of a child's life. Research clearly demonstrates the link between regular attendance and educational progress and attainment. Parents/carers and the school staff should work in partnership in making education a success and in ensuring that all children have full and equal access to all that the school has to offer. As a school, we will encourage parents and carers to ensure that their child achieves maximum possible attendance and that any problems that prevent this are identified and acted on promptly. As parents, it is their responsibility to ensure that their children arrive at school and return home safely.

Our attendance champion in school is: Sarah Rule (Headteacher)

Attendance administrator in school: Julie Poulter – both can be contacted via office@tvc.ac.uk or 01642 482002

Expectations

We expect that all pupils will:

- attend school every day
- attend school punctually
- attend appropriately prepared for the day
- discuss promptly with their class teacher or school office any problems that may affect their school attendance.

We expect that all parents/carers will:

- ensure regular school attendance and be aware of their legal responsibilities.
- ensure that their child arrives at school punctually and prepared for the school day.
- ensure that they contact the school **daily** of absence or if known in advance, whenever their child is unable to attend school.

- contact school promptly whenever any problem occurs that may keep their child away from school.
- notify the school of any home circumstances that might affect the behaviour and learning of their child.
- notify school immediately of any changes to contact details.

We expect that the school will:

- provide a welcoming atmosphere.
- provide a safe learning environment.
- provide a sympathetic response to any child's or parent's concerns.
- keep regular and accurate records of AM and PM attendance and punctuality, monitor individual child's attendance and punctuality.
- contact parents when a child fails to attend and where no message has been received to explain the absence.
- follow up all unexplained absences to obtain explanations from parents. Although parents may offer a reason, only the school can authorise the absence. In the case of long term or frequent absence due to medical conditions, verifications from a GP or other relevant body may be requested.
- encourage good attendance and punctuality through a system of reward and recognition.
- regularly inform parents of the % attendance of all pupils.
- make initial enquiries regarding pupils who are not attending regularly.

We are supported through Redcar and Cleveland's attendance and welfare service and we will:

- meet regularly with the Education Education Social Worker (ESW) to monitor and support school attendance and punctuality.
- refer irregular or unjustified patterns of attendance to Education Welfare. Failure by the family to comply with the planned support set by Education Welfare may result in further actions, e.g. a Penalty Notice, parental prosecution or an application for an Education Supervision Order.
- Will notify the Local education Authority (LEA) after 15 days sickness.

Promoting excellence attendance in school

Attendance is one of highest priorities – children in school learn more and are more settled. We monitor children's attendance daily, alongside children who are late. We place weekly attendance figures in the weekly newsletter and have a display demonstrating weekly attendance in the front entrance. We also share the weekly attendance of classes in our celebration assembly, promoting where attendance has increased weekly.

Informal meetings

As we foster excellent relationships with our families, informal meetings will be our first course of action when attendance falls, to investigate why attendance isn't at the expected level and what school can do to support families with improving attendance.

Monitoring attendance

Weekly meeting occur within school to look which pupils are not in school in why. We use this data to request meetings with parents or involve the LA attendance officer if we feel that attendance is causing a concern for school.

Persistent or severe absence We will access support from the LA to determine what else can be put in place to improve a child's attendance. This will come after the school based interventions and meetings already discussed.

Registers, Punctuality and Lateness

Punctuality to school is crucial. Lateness into school causes disruption to that individual's learning and to that of the other pupils in the class. It is paramount therefore that all pupils arrive at school on time. For school pupils at KS2 the main playground door will open at 8.35am at KS1 the playground door will open at 8.35am.

- By law, schools must take a morning and afternoon register and record the attendance or absence of every pupil.
- Registration takes place at 8.45am (KS2) and (KS1) and pupils who arrive after 8.50am will be recorded as late.
- Afternoon registration is taken at 1.00pm for KS1 and KS2.
- Persistent lateness by a pupil will be dealt with through the home/school link worker and may be referred to an Education Welfare Officer.
- Pupil's attendance and punctuality is recorded on their report and will be passed on to future schools as necessary.

Pupil Leaving During the School Day

- During school hours the school staff are legally in loco parentis and therefore must know where the pupils are during the school day.
- pupils are not allowed to leave the premises without prior permission from the school.
- whenever possible, parents should try to arrange medical and other appointments outside of school time.
- parents are requested to confirm in writing, by letter or email, the reason for any planned absence, the time of leaving, the expected return time.
- pupils must be signed out on leaving the school and be signed back in on their return.
- where a pupil is being collected from the school, parents are to report to the school office before the pupil is allowed to leave the site.

- if a pupil leaves the school site without permission their parents will be contacted. Should the school be unable to make contact with the family it may be appropriate, in certain circumstances, to contact the Police and register the pupils as a missing person.

Leave of Absence

The school holiday dates and end of Key Stage Assessment dates are published a year in advance and leave of absence will not be authorised during these assessment periods. PD days are published as soon as the school have agreed these, but may be subject to change.

In line with the Government's amendments to the 2006 regulations (appendix 1), holidays during term time will NOT be authorised. The Headteacher and Governors have determined that:

- in exceptional circumstances permission may be granted for a maximum of five days of holiday providing your child has a good (95% or higher) attendance record over the previous three terms.
- where leave of absence in term time is due to exceptional circumstances, an application form must be requested from the school office and submitted for consideration by the Headteacher on behalf of the school governors, no less than 4 weeks prior to the requested date. Consideration will then be given to the pupil's previous school attendance and that the time requested does not exceed five school days in any one academic year.
- if leave is taken without prior authorisation by the school, it will be recorded as an unauthorised absence and Education Welfare will be notified.

Penalty Notices

- Penalty Notices can be issued for unauthorised leave
- In accordance with guidance from Redcar and Cleveland County Council, holidays during SATS and other external exam periods will not be authorised by the school and a Penalty Notice may be issued.
- The Headteacher can now request that the local authority issue a Penalty Notice to parents, when pupils are taken out of school for 5 or more day's holiday or leave of absence without school authorisation.
- The amount payable on issue of a Penalty Notice is £60 if paid within 21 days of receipt of the notice, rising to £120 when paid within 28 days.
- If the Penalty Notice is not paid within 28 days the local authority is then obliged to prosecute for failing to ensure regular school attendance.

- Penalty notices are issued to each parent, for each child.

Truancy Patrol

- When a pupil comes to the notice of a Truancy Patrol, the pupil's pattern of school attendance is investigated. If there are unauthorised absences in the preceding 4 months, a warning letter may be sent to the parent/carers. If there are further unauthorised absences during the subsequent 15 school days, a Penalty Notice will be issued to each parent/carer, for each child.
- If there is no significant improvement in attendance in the 3 subsequent weeks, a Penalty Notice will be issued. Again, the Penalty Notice fines are as follows:
- £60 if paid within 21 days of receipt of the notice, rising to £120 if paid within 28 days. If the Penalty Notice is not paid within 28 days, the local authority is then obliged to prosecute for failing to ensure regular school attendance.
- Education Welfare can also investigate legal proceeding against parents under section 444 Education Act 1996 or apply to family proceeding court for an ESO to secure regular attendance.

Failure to ensure regular school attendance

- Errington Primary School hold regular attendance panels in conjunction with the ESW, any parents whose children are identified as a cause for concern will be invited to attend. If there is no improvement in school we refer to ESW who work in partnership with school and parents in support of pupils who are failing to attend school on a regular basis.
- Education Welfare may also issue a Penalty Notice to parent / carers who are failing to secure their Childs regular school attendance and are not engaging with supportive measures to improve attendance proposed by the school or Education Welfare Officers. Before a Penalty notice is issued, parents will be warned of their liability to receive such a notice.

Equality for all pupils

Under the Equality Act 2010 and the UN conventions on the Rights of the Child, this policy will be fairly and consistently applied – school will always consider the individual needs of each pupil and their families who have specific barriers for attendance.

Changing Schools

- It is important that if families decide to send their child to a different school that they inform Errington Primary School as soon as possible.

- A pupil will not be removed from the school roll until the following information has been received and investigated:
- The date the pupil will be leaving the school and starting the next
- The address of the new school
- A new home address if appropriate
- The pupil's school records will then be sent to the new school. In the event that the school has not been informed of the above information, the family will be referred to the local authority Tracking Officer and Education Welfare.

Appendix One

The Education (Pupil Registration) (England) Regulations 2006 Amendments have been made to the 2006 regulations in the Education (Pupil Registration) (England) (Amendment) Regulations 2013. These amendments, as described below, will come into force on 1 September 2013. Term-time holiday The Education (Pupil Registration) (England) Regulations 2006 currently allow headteachers to grant leave of absence for the purpose of a family holiday during term time in "special circumstances" of up to ten school days leave per year. Headteachers can also grant extended leave for more than ten school days in exceptional circumstances. Amendments to the 2006 regulations remove references to family holiday and extended leave as well as the statutory threshold of ten school days. The amendments make clear that headteachers may not grant any leave of absence during term time unless there are exceptional circumstances. Headteachers should determine the number of school days a child can be away from school if the leave is granted. The Education (Penalty Notices) (England) Regulations 2007 Amendments have been made to the 2007 Regulations in the Education (Penalty Notices) (England) (Amendment) Regulations 2013. These amendments, as described below, will come into force on 1 September 2013. The 2007 regulations set out the procedures for issuing penalty notices (fines) to each parent who fails to ensure their children's regular attendance at school or fails to ensure that their excluded child is not in a public place during the first five days of exclusion. Parents must pay £60 if they pay within 28 days; or £120 if they pay within 42 days. Amendments to 2007 regulations will reduce the timescales for paying a penalty notice. Parents must, from 1 September 2013, pay £60 within 21 days or £120 within 28 days. This brings attendance penalty notices into line with other types of penalty notices and allows local authorities to act faster on prosecutions.
