<p>Music</p> <p>I know five songs off by heart. I know some songs have a chorus or a response/answer part. I know that songs have a musical style. I know that music has a steady pulse, like a heartbeat. I know that we can create rhythms from words, our names, favourite food, colours and animals. I know rhythms are different from the steady pulse. I know we can add high and low sounds, pitch, when we sing and play our instruments.</p> <p>TVMS: Snappy Classroom KS1: Christmas Performance</p>		<p>Science</p> <p>I can explore and compare the differences between things that are living, dead and have never been alive. I understand that most living things live in habitats to which they are suited and describe how different habitats provide for the basic needs of different kinds of animals and plants, and how they depend on each other. I know how animals obtain their food from plants and animals, using the idea of a simple food chain, and identify and name different sources of food. I can identify and name a variety of plants and animals in their habitats, including microhabitats.</p>		
<p>Children will learn and perform songs included in the KS1 Christmas Performance. Children will work with TVMS and will continue to explore rhythm and beat.
