

## Breakfast club

Unfortunately with the cost of living, I am going to have to put the cost of breakfast club up to £3.00 rather than £2.00. This is still exceptional value – each child gets a wide range of breakfast as well as supervision during that time in the morning.

## 2 year old apprentice.

The 2 year old apprentice is now live. See the link below:

The apprentice will also be supported, guided and taught by the very best early years practitioners within my Early Years.

If you know anyone who wants to have a career in Early Years and would want to come and work in our wonderful school – please pass this opportunity to them.

We warmly welcome visits to school to talk through this wonderful opportunity.

Many thanks.

## Behaviour within school.

We are just having a school wide reminder of expectations at the moment. Around how we move around corridors and how we play kindly together – with respect being a key word shared.

Penguin club has also had a few issues with behaviour these last few weeks. We ask you to remind children who come to these clubs that the same behaviour expectations are in place as we would expect in class.

After school club is a wonderful engaging experience for all children, so we ask that each child plays fairly, kindly and looks after the new and exciting play equipment we have available.
