

Year 3 Newsletter

Our topic this half term is:

Mighty Metals

This half term we will be exploring how metals changed Britain during the 'Iron Age'. We'll continue our journey through Prehistory and link to modern metal marvels such as the Iron Man, designing our own moving robots and how electricity can be used in science.

After Christmas, our topic will be:

Our Country, Our World

Looking at local folk lore and heritage...

Year 3 - Autumn 1... (memories)

This term our PE slots are as follows:

Mondays
and
Thursdays

Please leave
coats and
wellies in
school

Stars In Their Eyes Performance – 14th November

To raise money for Children in Need there will be a shining concert on the 14th November. So, grab your sparkly outfits and sing along to 'classic' songs.

English

This term we will continue to develop our writing skills; writing letters and character descriptions based on the Iron Man by Ted Hughes. As always, there will be a focus on grammar in each lesson.

Maths

In maths we will look at addition and subtraction and then move on to multiplication and division, using a 'concrete, pictorial, abstract approach'. As always please practice your times tables at home.

Science

Year 3 children will explore 'Forces and Magnets'. Children will investigate how forces work and learn about gravity. The children will find out which materials are magnetic and carry out an investigation to test the strengths of different magnets...
