Topic

This half term our topics will be All About Me, Diwali and Autumn.

We will be learning all about our bodies, our senses, our families and what it means to be part of a community.

We will celebrate the Hindu festival of Diwali with lot of exciting activities and food tasting.

We will look at the changes of the season to Autumn and enjoy exploring the environment.

Foundation Stage Home Learning Challenge.

This half term we would love you to go on an autumn adventure and see what wonderful things you can see, hear, smell and touch. Talk about and explore all the changes that are happening.

On your walk you can gather some different autumn pieces to create your very own autumn collage. Please bring your work in to show your friends when you have made it.

If you find some autumn treasures please bring them in for our autumn table so we can explore together (such as leaves, conkers, acorns, pinecones)

Make and Bake.

We would be very grateful if you could send £1 each week £6 for this half term This will go towards our making and baking activities. Children can bring their money in a named envelope.

Our funds are low across Nursery and Reception. Please contribute what you can, every little helps!

Thank you for your continued support!

P.E Days

This term, Reception P.E. sessions will be on a **Friday**. This half term we will be spending lots of time practicing getting undressed and dressed again independently. Please support your child in learning how to take off and put on their clothes on their own. This is a vital part of their curriculum and physical development. PE Kits are to stay in school until end of half term please. They can go home during holidays. Please ensure all items are named.
